

Rab McLean, Old Grey Overcoat

""Old Grey Overcoat (McMillan & McLean)""

The look of flesh draped over these old bones
Hanging on like an overcoat
Like my old grey overcoat
Its hanging on.
hanging on
hanging on
hanging on
hanging on

The weight of it all
Pushing down on my head
On my heart
Its a crowded room
An overcrowded room
And I cant breathe
But Im hanging on
hanging on
hanging on
hanging on
And its pushing me down
Pushing me down
But Im hanging on
Hanging on!
