

Racer X, Heat Of A Lion

Crashing through the city streets
Caught in the glare of the midnight sun
I got wings upon my feet
But locked as I run
I am just a breath away
From knockin' you senseless to the ground
No escape I hear you say
You're never safe
From a
Heart, heart of a lion
My Heart
A heart of a lion
I close my eyes and I see your face
Seems like I'm trapped within your spell
Will I ever win this race
You're moving in
And my needs cry from the sky
Blares through the still as it cuts the air
In your hold I know that I
Will never find a love
Of a
Heart, a heart of a lion
My Heart
A heart of a lion
All around I hear
The sound of your mighty roar
As I give I find that you are calling out for more
All around I hear
The sound of your mighty roar
As I give I find that you are crying
A Heart
Of a lion
My Heart
Of a lion
My heart
Heart, a heart of a lion
My Heart
A heart of a lion
Heart, a heart of a lion
My Heart
A heart of a lion
Heart, a heart of a lion
My Heart
A heart of a lion
