

Rachael Cantu, Little Bird

little bird up there in the tree
I believe you can hear me so listen to me
fly me home I'm ready to go
I'm ready to go
umm hummm

it feels as though I've been gone so long
I'm sick and not strong
umm hummm

so fly me home I'm ready to go
I'm ready to go
umm hummm

and someone out there is waiting for me
to come home
someone out there is waiting to me
to come home

so fly me home I'm ready to go
I'm ready to go
umm hummm

yeah fly me home I'm ready to go
I'm ready to go
ummm
