

Rachael Cantu, Saturday

this is the way
this is the way I want it to be
with your lips your hips right in front of me
your lips your hips right in front of me

this attitude you're giving me
yeah this attitude you're giving me
bring those lips those hips right in front of me
those lips

so clap your hands and shake your shoulders
we're going to dance this night until it's over
yeah clap your hands and shake your shoulders
we're going to dance this night until it's over

it was a Saturday
you said you're taking me out
it was a Saturday

I saw you that afternoon
after a year or two and soon
it will be three days 'til your birthday
and I remember it was a Saturday

and someday soon
you'll be scratching at your bones until you're bleeding
yeah, yeah you'll be bleeding

so clap your hands and shake your shoulders
we're going to dance this night until it's over
yeah clap your hands and shake your shoulders
we're going to dance this night until it's over

it was a Saturday
you said you're taking me out
it was a Saturday

it was a Saturday
you said you're taking me out
it was a Saturday

this is the way
this is the way I want it to be
and I remember
yeah I remember it was a Saturday
