

Rachael Lampa, Hide Me

Here beside water
The wind to kiss my face
Oh you find me , find me , find me in your Love
I feel your hand upon me
You rescued me again
Oh you hide me , hide me , hide me in you Love

* CHORUS *

Oh falling into Heaven
Where I am safe and I am free
Oh you find me here
Fill me with your Peace
Oh , You hide me in the shelter
Of your Love
The sky it holds your beauty
Your blanket covers me
My heart is what I bring you
Oh you hold me hold me
Hold me in your arms
* REPEAT CHORUS*
Oh you Hide me Hide me in your love
