

Rachael Lampa, I Choose You

When everyone around you sees
An ordinary life,
Fit for nothing more than common dreams,
I can see the stars of heaven
Shining in your eyes.
Soon the world will hear the angels sing.
Mary, I know its hard to understand...
You hold the Light of the world in your hands.
I choose you to bring the world a Savior.
I choose you to bring the world a King.
I choose you to be the arms of love that hold the Answer
For the world to see My promises come true...
I choose you.
I know there are many questions
Weighing on your mind:
What is becoming of your life?
Oh, just remember I have called you
To leave your fears behind -
To walk by faith and not by sight.
Mary, I know its all a mystery;
My hand is leading if you'll only believe.
I choose you to bring the world a Savior.
I choose you to bring the world a King.
I choose you to be the arms of love that hold the Answer
For the world to see My promises come true...
I choose you.
And He shall be called Emmanuel,
Wonderful, Prince of Peace.
I choose you to bring the world a Savior.
I choose you to bring the world a King.
I choose you to bring the world a Savior.
I choose you to bring the world a King.
I choose you to be the arms of love that hold the Answer
For the world to see My promises come true...
I choose you, oh.
I choose, I choose you, oh...
For the world to see My promises come true...
Oh, for the world to see My love come shining, I . . .
(I choose you, I choose you, I choose you, I choose you,
I choose you, I choose you, I choose you, I choose you,
I choose you, I choose you, I choose you, I choose you,
I choose you, I choose you, I choose you, I choose you,
I choose you, I choose you, I choose you. . .)
