

# Rachael Lampa, If You Believe

I close my eyes  
And even when I'm sleeping  
I'm alright  
Cause You were, in my life.  
Once upon a time,  
I only imagined this  
And now You're mine  
Wished for you so hard  
Prayed that You'd find me  
Maybe your here today  
Here to remind me  
If you believe that dreams come true  
There's One that's waiting there for you.  
Cause I believed when I saw You  
That when you want something enough  
That it can't escape Your love  
There is nothing in the world that cannot be  
If you believe, oh, oh  
Everybody said  
That I was a fool to think  
That we'd connect  
But I couldn't get my heart out of my head  
And they just didn't see  
No, they just couldnt know  
The feeling that You get  
The places that You go  
If you believe that dreams come true  
There's One that's waiting there for you  
Cause I believed when I saw You  
That when you want something enough  
Thren it can't escape Your love  
There is nothing in the world that cannot be  
If you believe  
Never wished for material things  
Never needed wind in my wings  
I never wished for anything but You,oh  
I can't explain it  
Someone just told me  
"Go where your heart is  
You'll never be lonely"  
If you believe that dreams come true  
There's One that's waiting there for you  
Cause I believed when I saw You  
That (when you believe) when You want Someone enough  
Then they can't escape Your love  
There is nothing in the world that cannot be  
If you believe  
Believe, believe, believe, ooh
