

Rachael Lampa, Lead Me (I?LI Follow)

Here is a question that I need to know:
Why turn my back and just refuse to go
When You have made for me a path so bright
Through this life (mmm-hmm)?
Oh Lord, I know You want to help me see
Cause You know exactly where I need to be.
There will be troubles there to block my sight,
But Ill be alright when You shine Your love!
Lead me; Ill follow wherever You lead me down,
Lead me; Ill follow wherever You need me now.
You take my circumstances into Your hands and make a way.
Lord, You take me by the hand,
Showing me the things Youve planned, so
Lead me, Ill follow wherever You go.
There is no question that my futures clear
Cause I know Youre answerin my every prayr;
And when You dont say what I want to hear,
I wont fear, cause I know You will
Lead me; Ill follow wherever You lead me down,
Lead me; Ill follow wherever You need me now.
You take my circumstances into Your hands and make a way.
Lord, You take me by the hand,
Showing me the things Youve planned, so
Lead me, Ill follow wherever You go
Hey, hey, ooh, oh, woah, yeay, yeah!
(na na na na, na na na na, na na na na na,
na na na na, na na na na, na na na, na na,
na na na na, na na na na, na na na na na)
Lord, You take me by the hand,
Showing me the things Youve planned, so
Lead me; Ill follow wherever You lead me down,
Lead me; Ill follow wherever You need me now.
Lord, every circumstance falls in Your hands; You make a way.
Right before my eyes to see Youre the path in front of me, so
Lead me, Ill follow wherever You go.
