

Rachael Lampa, When I Fall

[verse 1]

How can I find you, are you hiding or am I
Should I go or should I wait for a sign
Following your voice, walking through a desert night
Looking for a silent storm in the sky
And I stand in my emotion, and I let it be my own
'Cause I know I'm not forsaken
And I'll never be alone

[chorus]

When I fall, when I fall
I know where I'll be landing
When I fall, when I fall
You will still be standing

[verse 2]

Somewhere in the silence, I can hear your broken voice
Like a radio station fading out of range
Somewhere in the crowd, from the corner of my eye
I thought that I could feel you walking by
And when I get this feeling, like I am not so strong
I still can feel You with me
Yeah, You've been there all along

[bridge]

Somewhere I'm alone, won't You take my empty hands
And fill them with Your love
Won't You take me as I am
