

Rachel Brown, Let's Fall In Love Again

Let's fall in love, let's fall in love again, baby
We were dancing close at a party just like this
When I dance with you, it's like skating on a love groove
I fell in love, ever since that moment baby!

I've always dreamed I'd be in love forever
Dancing with my lover, stepping to our favorite groove
All eyes on us, caught up in our every move
So glad I'm here, reliving how you held me, baby
Another year, another kiss, so many memories
I won't forget the way we danced...

Let's fall in love, let's fall in love again, baby
We were dancing close at a party just like this
When I dance with you, it's like skating on a love groove
I fell in love, ever since that moment, baby!

I still remember, us showing off...big city style
R. Kelly sang, and you and I stood out in a crowd
New twist, new tricks, new flow, our show!
Baby, when we move as one my baby
On a sexy groove it's just like music
That's how we work it, that's how we do it

Let's fall in love, let's fall in love again, baby
We were dancing close at a party just like this
When I dance with you, it's like skating on a love groove
I fell in love, ever since that moment, baby!

Steppin' is the way we groove...
Stepping to a sexy groove
(Repeat over ad libs)
