

# Rachel Farris, I'm Not The Girl

you try, you fail, you make a bad impression.  
i cry, you bail, a sticky situation.  
i know, you know, it's your infatuation.  
you stay, i'll go.

Chorus:

I am not the girl you thought i would be.  
i will never be, so get over me.  
i am not the girl im going to be.  
nothing more to say.

my wings they grow, call it evolution.  
some things move slow, with determination.  
you ask, you pry, it's your desolation.  
you wonder why.

(repeat chorus)
