

# Rachel Farris, You Think

You think you can have me  
And have her hanging on  
You think you can kiss me  
And kiss her when I'm gone  
You think I would leave you  
So you can't let her go  
You think too slow

I don't want to hear you say you love her  
I don't want to hear you say you wish  
I don't want to hear you say you want me  
If you're still with her

You think you can have me  
And have her hanging on  
You think you can kiss me  
And kiss her when I'm gone  
You think I would leave you  
So you can't let her go  
You think too slow

I don't want to hear you say you're sorry  
I don't want to hear you say someday  
I don't want to hear you say you're lonely  
If you're still with her  
I don't want to talk it out for a minute  
I don't want to hear to figure out why you're in it  
I don't want an argument, but I'd win it  
Don't say a word

You think you can have me  
And have her hanging on  
You think you can kiss me  
And kiss her when I'm gone  
You think I would leave you  
So you can't let her go  
You think too slow

I can't believe I believed you  
Told me you were going to say goodbye  
You'd thought it all through for a long time  
And that I was just another reason why

You think you can have me  
And have her hanging on  
You think you can kiss me  
And kiss her when I'm gone  
You think I would leave you  
So you can't let her go  
You think too slow

You won't have a chance with me again  
I don't even want to be your friend  
You won't ever play the game and win  
'Cause you like to cheat

You think you can have me  
And have her hanging on  
You think you can kiss me  
And kiss her when I'm gone  
You think I would leave you  
So you can't let her go  
You think too slow
