

# Rachel Stamp, My Sweet Rose

You've got lips of cherry chrome  
I got a heart thats made of stone  
I've been thinking  
you should leave me  
my sweet rose  
my sweet rose  
you don't need me as  
much as you need your soul

We are the ones that fall apart  
love can save your life  
but it just breaks my heart  
though I've tried I  
can't destroy what I am  
my sweet rose  
my sweet rose  
you don't need me as  
much as you need you soul

You've got lips of cherry chrome  
I've got a heart thats made of stone

my sweet rose

my sweet rose

my sweet rose

my sweet rose

you don't need me as  
much as you need your soul
