Chorus: And everyday it growa a little bit stronger  
it stays a little bit longer  
doooooooooo oooooooooo oooooooooo  
It's tearing me from the inside

Bridge: heartbroken can't take it  
don't think i'll make it  
it's hurting tearing me (from the inside)  
the pain gains stronger  
from the words you say  
the pain shouldn't stay (any longer)
