

Rachel Wedeward, I Can't Keep My Hands Off Of U

Bridge: Baby I've been so lonely
I've had these feelings for awhile
smiling for me has been so hard
when I'm around U

Chorus: I can't keep my hands off of U
Even when I try I always lose
I can't keep
I'm in too deep
I can't keep my hands off of U

1st Verse: What should I do?
check my files I've always loved U
my heart keeps getting broken
It feel like I'm choked
when I'm around U

2nd Verse: I'm not being phony at all
I have to keep climbing up the branch
to even to get to your heart
this is just the start of our love
Ooh boy you it's true
