

Rachel Wedeward, Love @ 1st Sight

Chorus: could this be love @ 1st sight
I've had a feeling everynight
this is love @ 1st sight

Bridge: ever since i saw you
my heart's been beaten
From the start I knew
nothing can take apart our love
i'll be true to you
if you be true to me
my baby

chorus

1st Verse: the way look at me
feels like i'm going to choke
everyone says were not meant to be
i don't believe them
do you sweetie?

Chorusx2

2nd verse: love at first sight
(feels like it for me)
every night
(i think about you)
do you feel the same
(tell me if it's real)
could it be
