

# Rachelle Ann Go, Don't Cry Out Loud (Correct)

I.

Baby cried the day the circus came to town  
'Cause she didn't want parades just passing by her  
So she painted on a smile & took up with some clown  
While she dance without a net upon the wire  
I know a lot about her, cause you see  
Baby is an awful lot like me

chorus:

Don't cry out loud  
Just keep it inside, learn how to hide your feelings  
Fly high & proud  
And if you should fall, remember you almost had it all

II.

Baby saw that when they pulled that big top down  
They left behind her dreams among the litter  
And a different kind of love she thought she found  
There was nothing left but saw dust and some glitter  
But baby, can't be broken, cause you see  
She had the finest teacher that was me  
I told her...

( Repeat Chorus)

oh, ooh, ooh...ohh...yeah...

Don't cry out loud  
Just keep it inside, learn how to hide your feelings  
Fly high & proud  
And if you should fall, remember you almost made it  
Don't cry out loud  
Just keep it inside, learn how to hide your feelings  
Fly high & proud  
And if you should fall, remember you almost had it all

...Don't cry...
