

Rackets And Drapes, Ball And Chain

You toss me aside, you throw me away
In a garbage can, that's where I will lay
They said you're too young, I'd be in the way
They said I'm not for you
Listen closely to my pain
Mommy, Daddy, am I a ball and chain

When you were with child, they called you a whore
So you did not want me anymore
They said you're too young, I'd be in the way
They said I'm not for you
Listen closely to my pain
Mommy, Daddy, am I a ball and chain
