

Rackets & Drapes, Baby Killer

(baby cries in agony)

Playing God with the innocent lives
You decide who will live
And who will die

It's homicide
It's homicide

Baby Killer
Baby Killer
Baby Killer
Baby Killer

Murder in the first degree
You have legalized
You pretend not to hear
All the children's cries

It's genocide
It's genocide

Baby Killer
Baby Killer
Baby Killer
Baby Killer

oh baby(cont.)
woh baby (cont.)
