

Rackets & Drapes, Burning Your Witches

Burn your witches
Burn them all (x4)

Ding-dong the witch is dead (x4)

Burn your witches
Burn them all (x4)

Ding-dong the witch is dead (x4)

I see witches hiding
Around every corner
You burn yours
And I'll burn mine

And I see witches within
Everybody's closet
You show me your's
I'll show mine

Ding-dong the witch is dead (x4)

I see witches hiding
Around every corner
You burn yours
And I'll burn mine

And I see witches within
Everybody's closet
You show me your's
I'll show mine

Burn witch
Burn witch
Burn...
(ah ha ha ha... i'm melting...)
