

Rackets & Drapes, Electric Sheep

Is there a God?
Is he real?
To \$erve God
We began to steal

Religious are
Electric sheep
One and all
Superstition
Blind lead the blind
Ignorance

Who is your God?
Does he bleed?
Who is the Lord?
We should seek
Who is the Christ?
Is it me?
Look at my wrist
No holes to see

Religious are
Electric sheep
One and all
Superstition
Blind lead the blind
Ignorance
