

Racoon, Don't Give Up The Fight

Please don't give up the fight
for no reason, but you do
I never said that the fight
will be easy
Beacuse it won't

I will remember you
And all that we've been through
There's no angel that can be more angel
Than you
I see you every night
And your star is shinig bright
And I cry and I smile
I wish you were here
With me
I am so proud to be you father
I'm so proud to be your mum
And I am so proud to be your brother
So may this be your song

Please, don't give up the fight
for no reason, but you do
causel never said that the fight
will be easy
Beacuse it won't

I will come look for you
When this life is through with this body
Before now I still needed to live
For we are not alone
And you are not alone
We were home, loving waiting and so afraid
But I am so proud to be you father
I'm so proud to be your mum
And I'll always be proud to be your brother
So may this be your song

Please don't give up the fight
for no reason
