

Radial Angel, Jesus Loves Me

You, you said you
And I, I say Jesus
He came into my life

And you, you serve you
And I listen to Jesus
He came into my life

Yes He's in my life
He'll never leave my life
And all that I say
Is Jesus loves me
Jesus loves me
Jesus loves me
Oh yes He loves me

Last night you saved me
And last night I found God
He came into my life
