It's the nuclear waste around the world, It's the chemicals which are thrown to the third world form t

Fuck the wars on faith for a race. United Nations, a two faced game. Intervention to settle the peac

It's a worldwide tragedy everyone watches on TV

I know its too typical everyone dying slowly

And you're still asking for a free new world

Here it is at the edge of a deadly threshold

we're in war

not so natural

It's a worldwide tragedy

Can u be that calm when it happens to you. Can u be that faceless that you're asking for a proof. T

It's the war on land and freedom. Divided nations, free to doom. New World Order always wants m
