

Who could have known  
All of this time and place  
Would be but a face  
Covering me  
Covering hopes and dreams  
I feel in myself  
All I dream  
All I hope for  
Dreams are not so bad  
All I live  
All I die for  
Soul is all I am

Won't cry  
 Won't resist  
 Can't forget you without that kiss  
 Won't cry  
 Won't resist  
 Can't forget you without that kiss  
 God only knows how many times  
 I've chained myself to my flesh  
 Who could have known  
 Only surrender brings me back  
 To that bliss  
 That I dreamed of  
 That I hoped for  
 Dreams are not so bad  
 All I lived  
 All I died for  
 Soul is all I am

Like I said  
Only the things that you feel in heart  
Are true  
Don't let possessions come tear you apart  
All of my life  
Feeling the pain of what has gone  
And what was left  
Only the love  
Only the kiss of wisdom  
Frees me from all this  
And I see  
What I live for  
To be all I am  
Not to fear  
But to let go  
And do all I can
