

# Radio Head, Blow Out

In my mind and nailed into my heels  
All the time killing what I feel

And everything I touch  
"(All wrapped up in cotton wool)  
(All wrapped up and sugar coated)"  
Turns to stone

And everything I touch  
"(All wrapped up in cotton wool)  
(All wrapped up and sugar coated)"  
Turns to stone

I am fused just in case I blow out  
I am glued just because I crack out

Everything I touch turns to stone  
Everything I touch  
"(All wrapped up in cotton wool)  
(All wrapped up and sugar coated)"  
Turns
