

# Radio Head, Planet Telex

You can force it but it will not come  
You can taste it but it will not form  
You can crush it but it's always here  
You can crush it but it's always near  
Chasing you home  
Saying

Everything is broken  
Everyone is broken

You can force it but it will stay stone  
You can crush it as dry as a bone  
You can walk it home straight from school  
You can kiss it, you can break all the rules  
All of the rules  
But still

Everything is broken  
Everyone is broken  
Everyone is  
Everyone is broken  
Everyone is  
Everything is broken

Why can't you forget?  
Why can't we forget?  
Why can't you forget?
