

# Radio Head, Where I End And You Begin Demo

There's a gap in between  
There's a gap where we meet  
Where I end and you begin

And I'm sorry for us  
The dinosaurs roam the earth  
The sky turns green  
Where I end and you begin

I am up in the clouds  
I am up in the clouds  
And I can't and I can't come down

I can watch but not take part  
Where I end and where you start  
Where you, you left me alone  
You left me alone

X' will mark the place  
Like parting the waves  
Like a house falling in the sea

I will eat you all alive  
I will eat you all alive  
I will eat you all alive  
I will eat you all alive

There'll be no more lies  
There'll be no more lies  
There'll be no more lies  
There'll be no more lies
