

# Radio Head, You

You are the sun and moon and stars are you  
And I could never run away from you

You try at working out chaotic things  
And why should I believe myself not you?

It's like the world is going to end so soon  
And why should I believe myself?

You, me and everything caught in the fire  
I can see me drowning, caught in the fire  
You, me and everything caught in the fire  
And I can see me drowning, caught in the fire
