

# Radio Killer, Be Free

I care about love, and how i feel  
I care about dreams, and make them real  
I care about you, I care about me  
No no worry, yes I'm able to be free!

I live my life, day by day  
I live it proudly anyway  
I'm able to love, I'm able to dream  
I'm able to make you, yes I'm able to be free!

To be free  
To be free  
To be free

I care about love, and how i feel  
I care about dreams, and make them real  
I care about you, I care about me  
No no worry, yes I'm able to be free!

To be free  
To be free  
To be free  
To be free  
To be free  
To be free  
To be free  
Yes I'm able to be free!
