

# Radiohead, Big Ideas (Don't Get Any) (Aka Nude)

Don't get any big ideas  
They're not gonna happen  
You paint yourself white and feel the noise  
But there'll be something missing

And now that you found it, it's gone  
Now that you feel it, you don't  
You've gone off the rails

She stands stark naked and she beckons you to bed  
Don't go you'll only want to come back again

So don't get any big ideas  
They're not gonna happen  
You'll go to hell for what your dirty mind is thinking

Alternate lyrics for the first line of the second verse:  
she kisses you with tongue and pulls you to the bed  
don't go you'll only want to come back again
