

Radiohead, Cymbal Rush

Try to save but it doesn't come off the rug
Try to build a wall that is high enough
It's all boiling over, all boiling over
Try to save your house
Try to save your songs
Try to run but it follows you up the hill
It's all boiling over, all boiling over
Your loved ones
Your loved ones

You should have took me out when you had a chance
You should have took me out when you had a chance
All the rooms renumbered and losers turned away
Don't turn away
Don't turn away
(There were ten in the bed and the little one said roll over
