

Radiohead, Planet Telex

You can force it but it will not come
You can taste it but it will not form
You can crush it but it's always here
You can crush it but it's always near
Chasing you home saying
Everything is broken
Everyone is broken

You can force it but it will stay stung
You can crush it as dry as a bone
You can walk it home straight from school
You can kiss it, you can break all the rules
But still...
Everything is broken
Everyone is broken

Everyone is, everyone is broken
Everyone is, everything is broken

Why can't you forget?
Why can't you forget?
Why can't you forget?
