Go
Tears of Joy
As we scare ourselves
Of all that you want to be
You just got paid and now your going
Outside, You'll freeze
if I get scared I'll just call you
And I'll miss your glow
As I unsettle
Oh but Ill always feel
Where Ill always be

So sell your suit and tie
And come and live with me
Luikemia Schizophrenia, Polyethelene
There is no significant risk to your health
She used to be beautifull once as well

Plastic bag, middle class, polyethelene
Decaffinate unleaded keeps our surfaces clean
If you don't believe me sell your self
If you don't get into it no one will
