

# Radiohead, Prove Yourself

I can't afford to breathe in this time  
Nowhere to sit without a gun in my hand  
Hooked back up to the cathode ray  
I'm better off dead  
I'm better off dead  
I'm better off

Prove yourself  
Prove yourself  
Prove yourself

I wanna breathe, I wanna grow  
I'd say I want it but I don't know how  
I work, I bleed, I beg and I pray  
But I'm better off dead  
I'm better off dead  
I'm better off

Prove yourself  
Prove yourself  
Prove yourself

Why?
