

Radiohead, The Tourist

It barks at no one else but me
Like it's seen a ghost
I guess it seen the sparks a-flowing
No one else would know

Hey man slow down, slow down
Idiot, slow down, slow down

Sometimes I get overcharged
That's when you see sparks
You ask me where the hell I'm going
At a thousand feet per second

Hey man slow down, slow down
Idiot slow down, slow down

Hey man slow down, slow down
Idiot slow down, slow down
