Radiohead, The Tourist

It barks at no one else but me Like it's seen a ghost I guess it seen the sparks a-flowing No one else would know

Hey man slow down, slow down Idiot, slow down, slow down

Sometimes I get overcharged That's when you see sparks You ask me where the hell I'm going At a thousand feet per second

Hey man slow down, slow down Idiot slow down, slow down

Hey man slow down, slow down Idiot slow down, slow down
