

Radiohead, Where I End And You Begin

There's a gap in between
There's a gap where we meet
Where I end and you begin
And I'm sorry for us
The dinosaurs roam the earth
The sky turns green
Where I end and you begin
I am up in the clouds
I am up in the clouds
And I can't and I can't come down
I can watch and cant take part
Where I end and where you start
Where you, you left me alone
You left me alone
X'll mark the place
Like the parting of the waves
Like a house falling in the sea
In the sea
I will eat you alive [x4]
There'll be no more lies [x4]
I will eat you alive [x4]
There'll be no more lies [x4]
I will eat you alive [x4]
There are no more lies [x4]
I will eat you alive [x3]
