Radney Foster            vocals/acoustic guitar  
Jay Joyce                guitar  
Rami Jaffee             keyboards  
Bob Glaub              bass  
Chad Cromwell         drums

I held on to the hurt  
Wrestled it to the ground  
Fought it like heaven and hell  
And I lost every round  
There wasn't anybody I would trust  
So long since I felt love  
I'd forgotten what it was  
Baby til you got a hold of my angry heart  
I saw the truth  
When you led my way out of the dark  
I was draggin round these chains  
Like some ghost in the hall  
Swearing at the pain  
And empty from it all  
Until you got a hold of my angry heart  
Living in the past  
Locked up with my rage  
I buildt that prison myself  
It's such a lonely cage  
I started believing I would never heal  
Your love changed my life when I thought my fate was sealed  
Baby til you got a hold of my angry heart  
I saw the truth  
When you led my way out of the dark  
I was draggin round these chains  
Like some ghost in the hall  
Swearing at the pain  
And empty from it all  
Until you got a hold of my angry heart

SOLO

G                            F  
I thought I would disappear without a trace  
Until your love washed each teardrop from my face  
Baby you got a hold of my angry heart  
I saw the truth  
When you led my way out of the dark  
I was draggin round these chains  
Like some ghost in the hall  
Swearing at the pain  
And empty from it all  
Until you got a hold of my angry heart  
Until you got a hold of my heart
