

# Radney Foster, Disappointing You

Another day dawns  
I'll be leaving for work soon  
And you won't suspect a thing  
Til late this afternoon  
I won't be coming home  
But it don't matter what I do  
You see it's just another day  
Of disappointing you  
All I ever wanted was to give you what you wanted  
Seems like all I'm giving is nothing you can use  
All I've ever needed was to hear that you might need my love too  
But it's just another day it's just another way  
Of disappointing you

## SOLO

I got nothing left for you  
That you can't find on your own  
I'm not trying to be cruel  
I'm just trying to say you're strong  
But I've grown tired of wondering  
What I should or should not do  
When I'm staring down the silence  
Of disappointing you  
All I ever wanted was to give you what you wanted  
Seems like all I'm giving is nothing you can use  
All I've ever needed was to hear that you might need my love too  
But it's just another day it's just another way  
Of disappointing you  
But it's just another day it's just another way  
Of disappointing you
