

Radney Foster, Half Of My Mistakes

Half of my mistakes I made stone cold sober
Half of my mistakes I made at closing time
Half the time I never saw it coming 'til it was over
Half of my mistakes I made with love on the line

Half of my mistakes I swear I should have known better
Half of my mistakes were just amongst friends
You get a little distance on it the truth is clearer
Half of my mistakes, I'd probably make 'em again.

(Chorus)

So if I had it all to do over I'm sure I'd win and lose just as much
Spend less time on right and wrong
And a lot more time on love.

Half of my mistakes I made 'cause I was moving too quickly
Half of 'em were made 'cause my heart was moving too slow
Nobody can tell you a damn thing if you ain't listening
Half of my mistakes I made 'cause I couldn't let go

(Repeat chorus)

Half of my mistakes I'd give anything to change how it ended
Half of my mistakes, God, I wouldn't change a thing
You can lean too hard on regrets, but I don't recommend it
Because half the good things in life came from half of my mistakes

Yeah, a lot of good things in my life come from half my mistakes.
