

Radney Foster, This World We Live In

Half of my mistakes I made stone cold sober
Half of my mistakes I made at closin' time
Half the time I never saw it comin' til it was over
Ah, half of my mistakes I made with love on the line

Half of my mistakes I swear I should've known better
Half of my mistakes we just amongst friends
You get a little distance one it, the truth is clearer
Ah, Half of my mistakes I'd probably make'em again

And if I had it all to do over
I'm sure I'd win and lose just as much
But spend less time on right and wrong
And a lot more time on love

Half of my mistakes I made cause I was movin' too quickly
Half of'em were made cause my heart was movin' too slow
Nobody can tell you a damn thing if you ain't listenin'
Ah, half of my mistakes I made cause I couldn't let go
Let it go

And if I had it all to do over
I'm sure I'd win and lose just as much
But spend less time on right and wrong
And a lot more time on love

Half of my mistakes I'd give anything to change how it ended
Half of my mistakes God I wouldn't change a thing
You can lean too hard on regret
But I don't recommend it
Cause half the good things in my life came from half my mistakes
Yeah, a lot good things in my life came from half my mistakes
