

# Radu, Leave me alone

1. You never let me try  
To tell you how I feel  
My heart is broking down  
And cryin`...

2. You`re coming in my dreams  
I feel that you are here  
I need your talk so much  
And dyin`...

Ref: Leave me alone come tomorrow  
Leave me alone in my dreams  
Leave me alone come tomorrow  
Leave me alone...

3. Why don`t you understand  
How much you mean to me  
I gave my soul to you  
Forever...

4. I lookin` for a world  
A world for you and me  
There only way to be  
Together...

Ref: Leave me alone come tomorrow  
Leave me alone in my dreams  
Leave me alone come tomorrow  
Leave me alone...

5. Baby, baby, come back to me,  
I don`t wanna` be lonely tonight  
Baby, baby, come back to me,  
For a single night,  
I`ll give you my life.

Ref: Leave me alone come tomorrow  
Leave me alone n my dreams  
Leave me alone come tomorrow  
Leave me alone...
