In the crib with some hoes, yo...

He bought to fuck both of them yo, call Kush and 'em up

Purple Haze just got rolled on, why the fuck my niggaz know nothin'

Matter fact, I heard Thai Stick got stuck, they blew Black Gold on 'em

Plus your son's spoiling my days, yeah

With the new accent, that shit is grown

He out in Texas, with some ugly ass African niggaz, they blew his pipes out

[Chorus x3: Raekwon]

Weed, niggaz fiend for me, smokin' my leaves

I'm like weed, can't stand niggaz touchin' my seeds

I'm like weed, all the young niggaz callin' me trees

&quot;Smoking&quot; &quot;Drinking&quot; [x2]

[Raekwon:]

Went in the stash, grabbed Hash and 'em

He had a forty pound nigga named Brown, they poured gas on him

Yeah, yo, the crib got raided, God, Challish was there

He got tangled up, caught him and beared

Yo, under the pillow, White Widow, yo

She went to crack school, never came back, I heard she look old

Her and Sesamia, God, two twin crack monkeys, pa

Sleepin' in quesadias, Blueberry rollin' 'em
