

Raffi, Every Child

Every Child

Words and Music by Raffi and Michael Creber

1995 Homeland Publishing

Every child, every child, is a child of the universe
Here to sing, here to sing, a song of beauty and grace
Here to love, here to love, like a flower out in bloom
Every girl and boy a blessing and a joy

Every child, every child, of man and woman-born
Fed with love, fed with love, in the milk that's mothers own
A healthy child, healthy child, as the dance of life unfolds
Every child in the family, safe and warm

bridge:

Dreams of children free to fly
Free of hunger, and war
Clean flowing water and air to share
With dolphins and elephants and whales all around

Every child, every child, dreams of peace in this world
Wants a home, wants a home, and a gentle hand to hold
To provide, to provide, room to grow and to belong
In the loving village of human kindness
