Although no pretty girl gives a damn about you
"don't become a raper"
Although no pretty girl gives a damn oh man
"don't become a raper"
Although you are alone and nobody is watching
"don't become a raper"
although you are alone, too alone!
"don't become a raper"

- Would you like that someone came and raped you? tell me
- No, I wouldn't!
- Then tell me, why to a girl!
