

Rag Bag, Shit Eaters

The shit eaters are climbing down the eavestrough and invading our formerly happy home. What have we got to do to repel them? How can we stop these things?

GET RID OF THE SHIT EATERS (get rid of the shit eaters)

GET RID OF THE SHIT EATERS (get rid of the shit eaters)

GET RID OF THE SHIT EATERS (get rid of the shit eaters)

GET RID OF THE SHIT EATERS (get rid of the shit eaters)

Someone has got to put a stop to this shit eating. The shit eaters sleep in the kitchen with their feets in the hall. Woo woo

Please get out of here
