

Rag'n'Bone Man, What Do You Believe In?

I fell in love with impossible
I shook hands with a man named intangible
Left a trail in the sand let 'em know that I've been here
I caught a glimpse of the invisible
I threw stones at invincible
It didn't hurt
I never said that it would work

And if I fall doesn't mean that I failed to fly
Failure was only a fail to try
I put heaven in my right hand
It's too expensive in the sky

So what do you believe in?
It's never easy to hold on when your faith is gone
Hard times ain't leavin' (Oh woah)
So what do you believe in? (Ooh)
All I need in this world (This world)
All I need in this world (This world)
It get's hard but I'm breathin'
So what do you believe in? (Oh woah)

I asked for answers at the bottom of a bag
I was lost I didn't mean to make you sad
Know when push comes to shovel I was seein' double
And life turned to rubble in a flash

Every mistake that I made was a friend of mine
Taught me to come back a hundred times
Every hill I didn't die on is a mountain that I climbed

So what do you believe in?
It's never easy to hold on when your faith is gone
Hard times ain't leavin' (Oh woah)
What do you believe in? (Oh)
All I need in this world (This world)
All I need in this world (This world)
May get hard but I'm breathin'
So what do you believe in? (Oh woah)

I believe in love
I believe in love
I believe in love I believe in love

So what do you believe in?
It's never easy to hold on when your faith is gone
Hard times ain't leavin'
What do you believe in?
