

# Raghav, Baby I'm Amazed

Keep it on the low, baby when your day is over. No one needs to know how you get it or what you r  
She don't know it, but I saw it the minute she walked through that door.. Tryin' so hard not to show

See, baby I'm amazed by you, how could you try to play it cool.. for so long?  
Don't you know I see through you? Let me take you to a place, where you belong.. right here, right

You dont need to say a word, yeah I know. I see the way they're working ya to the bone, tonight we

You, you gotta relax, I put that stress out of your body into mine. So just lay back, I'm gonna fill you
