

# Ragnarok, For The World I Am Blinded

It's my destiny  
my release from this f\*\*kin' world  
No humans... no memories from this chastetic world  
Death is my vision  
I'm dying... I can feel my death vision  
I fly like a dragon as the speed of lightning  
over mountains and majestic waterfalls  
I see a world that not exist  
a world without humans  
I hope this view is the of mine  
Life is just a chapter  
I will soon leave this earth and enter the eternal winter night  
the quest of immortality because...  
for the world I am blinded  
My hate is your spirit and your hope to conquer  
A thick mist in a cold Autumn night  
lies on the ground and devour the environment  
A moonfog makes the infernal
